SalesEDGE® gives you the flexibility to structure every deal to the unique needs of each buyer by creating multiple payment options, on-the-fly quotes and professional presentations during the negotiation process. Our desking tool provides everything you need at your fingertips, from the input of customer data to performing vehicle searches.

Months	Residual %	\$ Factor	Base Pay
24	58	0.00200	\$400.00
36	50	0.00350	\$443.49
39	48	0.00380	\$451.52
60	45	0.00420	\$385.86

## Make the negotiation process fast and easy!

- Single input of customer data and deal points as buyer moves from deal creation to close
- Inventory integration makes negotiations quick and reliable
- Rollback feature that allows key attributes of the previous version of the deal to be changed
- Desk Log that stores deals daily with a quick search feature for the last 30 deals
- Audit ready documentation complete with time and date stamp
- Variable investment feature allows presentation of multiple cash-down scenarios
